- Have **representation** on the School Board

How can you be involved?

There are many ways that you can contribute within the school. This can include assisting in the classroom, changing books, reading with students and many other varied activities.

If you have time available and are interested in being more involved within the school please speak with your child's classroom teacher, staff in the office or the ladies in the canteen.

Volunteers are always welcome and your assistance in any area is always appreciated.

Fundraising

Volunteers are always required to be involved with and support P&C fundraising events for the school.

Practical help could include offering your time to assist on stalls, fold raffle tickets, unpack, sort and prepare items or even coordinate an event.

However if you cannot offer your time you can still assist through the giving of donations and provision of prizes, offering of sponsorship, and by supporting fundraising initiatives through the purchasing of items and selling of raffle tickets etc.

Annual fundraising events our P&C currently coordinates are:

- Easter Raffle
- Mothers' Day and Fathers' Day Stalls
- Enterprise Day
- End of Year Raffle

Profit from these and other fundraising events has contributed to the purchasing of resources and equipment across the school including:

- iPads and Interactive Whiteboards
- Wireless IT networking
- Portable PA system
- End of Year Book Awards
- New bucket hats for students and staff
- Playground Equipment

Canteen

Our canteen employees work really hard to support our school, its students and staff.

They value any time you may be able to offer to assist them in the canteen - from as little as half an hour to a full day.

Uniform Shop

Our Uniform Shop is run by volunteers and currently opens two mornings a week.

The full range of South Kalgoorlie Primary School uniform items are in stock, and this includes the compulsory school hat.
